## Meet Our Doctor

**Dr. Marjorie Gillespie**  
**PhD, ARNP-C, PMHNP-BC, MCAP**

Psychiatric and Mental Health Services

Dr. Marjorie Gillespie is a sought after expert in the provision of psychiatric and mental health services for children, adolescents and adults. Her range of services run the gamut from marriage and family counseling, to substance abuse treatment, and medication management.

She holds her Doctorate in Philosophy degree in Nursing from the University of Maryland, her Master's of Science degree in Nursing from Florida International University, and her Bachelor's of Science degree in Nursing from Barry University. As a Mental Health Nurse Practitioner, she also holds a Post Master's Certificate in Family Psychiatric from Florida International University.

She proudly serves in the United States Army Reserve in its Nurse Corps and in the US Public Health Service in its Division of Immigration Health, where she provides specialized nursing services for emotionally distressed individuals and promotes mental health within the medical treatment facility and the adjacent military community.

Not only prized for the service she provides to her patients, Dr. Gillespie is also an in demand scholar. She teaches various nursing and health science courses online to graduate and undergraduate students, including psychiatric-mental health nursing, medical terminology, basic and advanced nursing research, advanced patho-physiology, etc. She is an Assistant Professor at FIU in its College of Nursing and Health Sciences.
